

**Qualities God orchestrates in a Believer
who is anchored in
His unconditional, unfailing Love**

The anchor: Agape Love

(God's completely sacrificial, unconditional, unfailing Love)

Kindness as a Brother or Sister

(resulting in healthy relationships with other people)

A Life of Well-being

Resiliency

(able to roll with the flow because I am flexible)

Possessing Power from God

(to confront / deal with situations)

Knowledge from God – specific and practical

Fulfilled Potential

(all my potentialities are manifested / no unrealized potential)

The baseline: Faith

(to which all other qualities are orchestrated)
