As you disseminate the three studies in the “[Leviticus](#)” series concerning God’s principles for a righteous government, you may consider including the studies in the “[Ezekiel](#)” and the “[Difficult Passages of the Bible](#)” series on the power of proclaiming the Good News of Jesus Christ (the Gospel) to break the strongholds on your nation.

For our struggle is not against flesh and blood,
but against the rulers,
against the powers,
against the world forces of this darkness,
against the spiritual forces of wickedness in the heavenly places.

Ephesians 6:12

Also, pray gospel verses in all your prayers. Text examples of gospel verses are found on the front page of [RadicalGrace.com](#) in the document entitled “[Proclaiming the Good News of Jesus Christ – The Gospel](#)”. Once you click that link, look under the heading “[The Good News](#)” where gospel / salvation verses are cited. Remember, the power is in the Gospel !!!

Two recommendations:

1. Listeners with whom the two-part “Gates of Hades” messages {Difficult Passages of the Bible #17 & #18} resonated will appreciate the newly posted study in the Ezekiel series -- #9 “God performs His strange work by sending deceiving spirits...” This study reveals how God provides His people with X-ray vision enabling them to discern what is inside evil religious and political leaders’ minds / souls who are trying to mask / whitewash themselves as good people. God provides insight for His sons and daughters / brothers and sisters for their own protection by exposing the truly evil leaders who are intentional liars and frauds. It also explains the current crazy talk and lunacy running rampant in the world.

2. We encourage listeners to download lessons onto their computers, mp3 players, mobile phones, flash drives, and external hard drives rather than merely listen online. That helps to insure you will always have these lessons available for your carved out personal listening time as well as making the Good News available for those left behind at the Rapture.
